

The background is a vibrant collage of abstract shapes. In the top left, a teal semi-circle contains three maroon dots. To its right, a large yellow shape is partially visible. In the top right, a light blue shape contains four orange dots. A large, jagged blue shape resembling a mountain or a crown sits in the upper middle. A large teal shape, similar to the one in the top left, is positioned behind the text. At the bottom left, a white shape looks like a stylized flower or a cloud. At the bottom right, a pink semi-circle contains three yellow dots. The bottom of the image is a solid dark teal color.

Tak!
