

The background is a vibrant collage of abstract shapes. In the top left, a teal semi-circle contains three stacked maroon circles. To its right, a light yellow semi-circle is partially visible. On the right side, a dark blue jagged shape, resembling a crown or a mountain peak, is set against a light blue background. A vertical column of four yellow circles runs alongside this blue shape. In the bottom left, a white jagged shape, also resembling a crown or a flower, sits on a dark teal background. To its right, a large pink semi-circle is partially visible, with a vertical column of three yellow circles running alongside it. The central text 'Tak!' is superimposed on a large, light teal semi-circle that dominates the middle of the image.

Tak!
